

VOTE NO ON #2

L'DOR V'DOR (from generation to generation)

- Honor those that already fought the reproductive rights battle (and won!) & empower and inform this generation and the next so they also have legal and safe access to reproductive health!
- Know that if Amendment #2 passes it will permanently amend our state constitution & make ALL abortion care illegal, even in cases of rape or incest - and may cause medical harm or death to the mother. The amendment states: "To protect human life, **NOTHING** in this Constitution shall be construed **TO SECURE OR PROTECT A RIGHT TO ABORTION** or require the funding of abortion."

**"NO"
CAN WIN**
with your help!
